ULTIMATE MUSCLE
THE KINNIKUMAN LEGACY

Thanks to the Muska League, peace has returned to Earth... but for how long? Vince McMadd, chairman of the Justice Federation, believes that eternal vigilance is the price of liberty. But Kid Muscle and his friends believe in kicking back and partying. Groomed by their lazy attitudes, McMadd has sent four new Heroines Factory graduates, a group known as Generation Ex, to challenge the "Super Slackers."

New Kid Muscle, Terry Karyon, Dik Dik Van Dik and Wally Tasket are facing off against newcomers Jagger, Hydrozoa, Scarface and Road Rage. Only one team will be allowed to remain on Earth to defend humanity. The losers will be kicked off the planet... forever!
